This is a newly constructed path that runs between S. Main Street and the Rock River in Rockford. It was built as part of the re-building of S. Main Street and runs from South Park south to the Blackhawk Fire Protection District's station near US-20 (Bypass). It provides easy access to Klehm Arboretum and numerous businesses is just across the Rock River from Marinelli Field. It is easily connected to the Morgan Street path and the new rail-trail from Davis Park.

South Main Street Path
