Cavet Station Greenway

Tennessee

Cavet Station Greenway is a roughly mile-long non-motorized trail in Knoxville, Tennessee. The trail is open to users ranging from

to West Hills Park, and provides access to Walmart and Sam's Club, for those wanting to use the trail for errands.

Cavet Station Greenway is a roughly mile-long non-motorized trail in Knoxville, Tennessee. The trail is open to users ranging from walkers and joggers to cyclists and rollerbladers.

Start on Broome Rd, near the intersection with N Galleher View Road and head north. The trail passes near some residential areas then merges into N Gallaher View Road, paralleling the arterial for the rest of the way. The trail terminates at Middlebrook Pike (SR 169).

While the trail itself is fairly short, you have the option of extending your jog or ride by taking the Jean Teague Greenway, which stretches south from Broome Rd. or taking the Ten Mile Greenway west, from the intersection of N Gallaher View and Broome Rd. The trail also connects
