This is a rolling paved trail that follows along the shoreline of Guntersville Lake and is alongside Sunset Drive. Some of the hills are a little long, but there are plenty of flat areas as well. The trail goes by a fishing pier, the Guntersville Farmer's Market, Guntersville Middle School, the Civitan Park, baseball fields, a shopping center, the Guntersville Recreation Center, a beach area, and more. At the northern end of the route, the drive juts out into the Tennessee River and underneath the bridge, giving trail users access to town.

It is a beautiful trail and a lot of fun to navigate.
