Wilson's Creek Greenway

Missouri

As with many of the greenways in the Ozark trail system, the Wilson's Creek Branch trail follows the route of an eponymous

As with many of the greenways in the Ozark trail system, the Wilson's Creek Branch trail follows the route of an eponymous waterway. The trail begins at the Rutledge-Wilson Farm Park down to Republic Road. There are plans to connect the trail to the other greenways to build a continuous network of off-road facilities, beginning with South Creek Greenway at Tal's Trailhead.

Wilson's Creek Greenway

Missouri

States: Missouri

Counties: Greene
