Westville Lake Community Trail

Massachusetts

The Westville Lake Community Trail offers a short, scenic excursion along the east bank of Westville Lake in Southbridge.

The Westville Lake Community Trail offers a short, scenic excursion along the east bank of Westville Lake in Southbridge. Much of the crushed-stone pathway is under a lush tree canopy. Along the way, you'll also pass a birding area which has a viewing platform for osprey.

At its northern end, a connection to the [Grand Trunk Trail](#) can be made for a longer walk or ride. That trail crosses the Westville Dam and travels to the Westville Recreation Area, a great spot to begin or end your journey as the park has a picnic pavilion and grills.

Westville Lake Community Trail

Massachusetts

States: Massachusetts

Counties: Worcester

Length: 0.7miles

Trail end points: Marjorie Ln. to Breakneck Rd.

Trail surfaces: Crushed Stone

Trail category: Greenway/Non-RT

Trail activities: Bike, Walking, Cross Country
Skiing

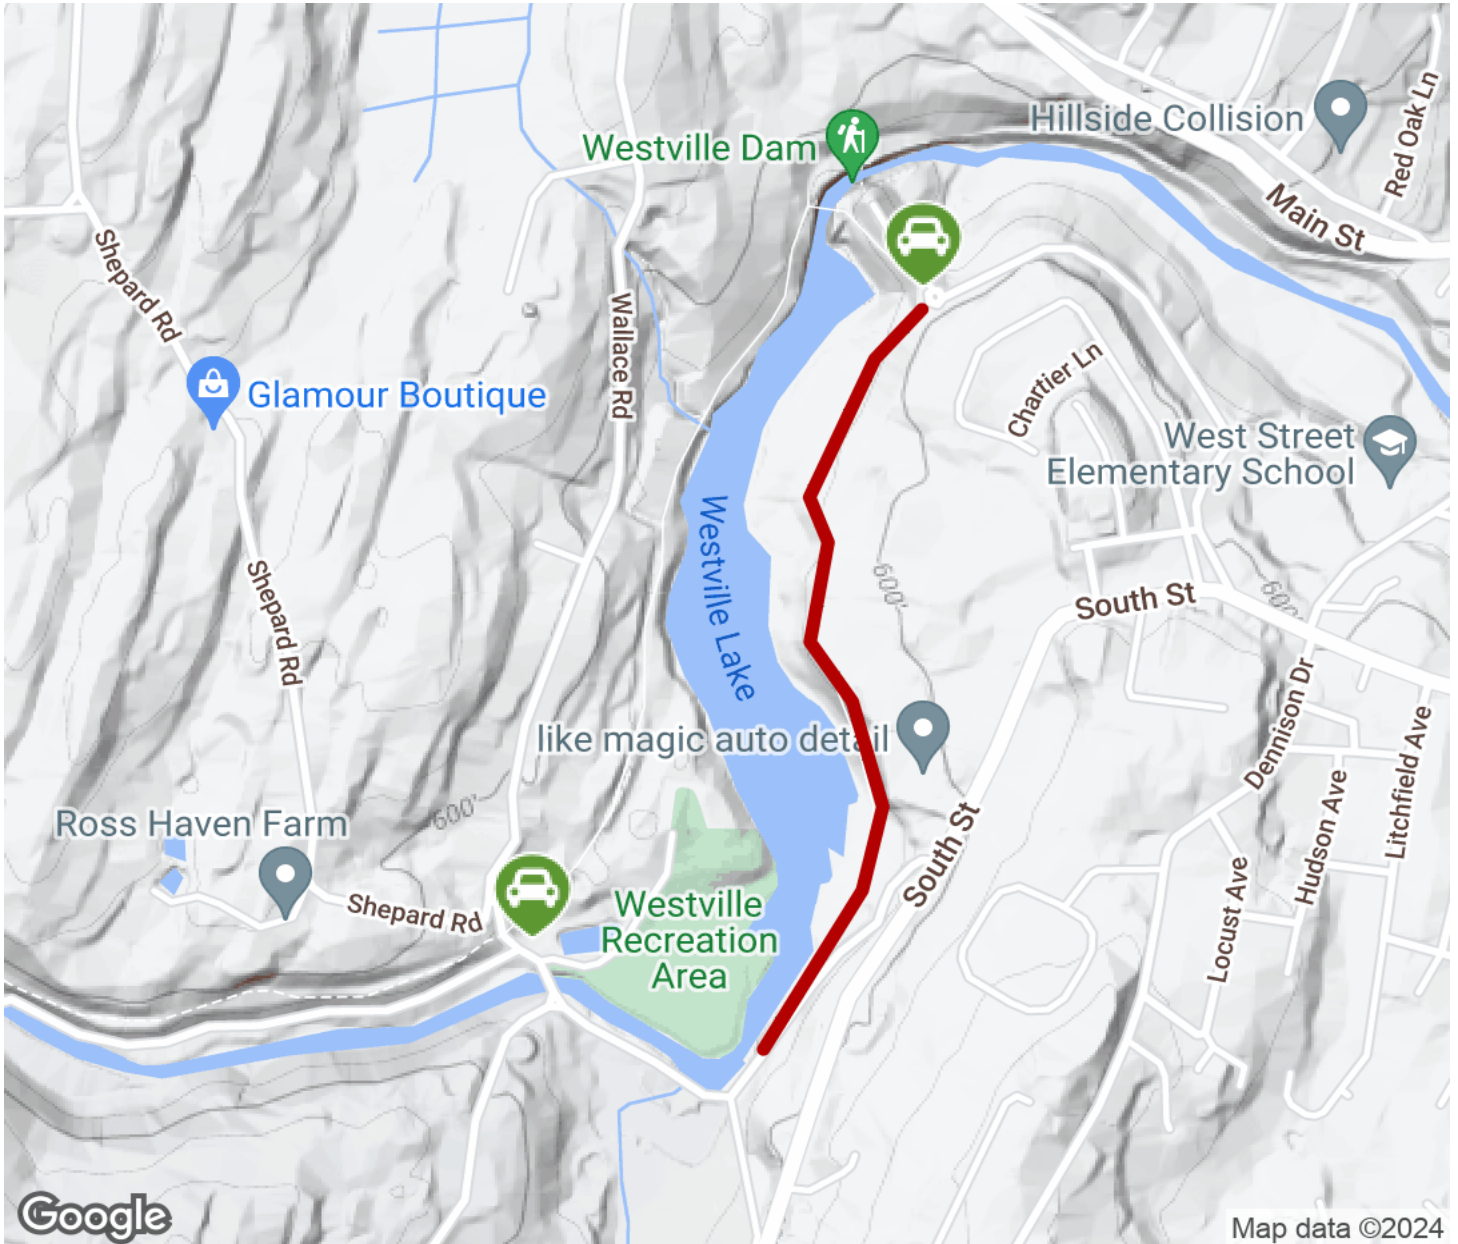

Parking & Trail Access

Parking can be found in the Westville Recreation Area. To reach it from downtown Southbridge, take Main Street/Route 131 West out of town. When the road forks, veer left onto South St. Continue for 1.1 miles until you see a road split off to your right; although unmarked, this is "Off S Street." Drive on this street for 1.6 miles to a small bridge over the Quinebaug River, where the roadway becomes Breakneck Rd. The parking lot will appear immediately on your right after the crossing.
