The Great Sauk State Trail spans nearly a dozen miles connecting the communities of Sauk City, Prairie du Sac, and Merrimac.

About the Route

Built along the former Union Pacific Railroad, the smoothly paved rail-trail runs through the Sauk Prairie State Recreation Area between the banks of the Wisconsin River and the doorstep of Devil's Lake State Park. The trail is marked every half mile through the Sauk Prairie section and there are benches along the route.

Note that bicyclists and inline skaters age 16 or older will need a Wisconsin state trail pass.
