Storm Lake Trail

Iowa

This trail skirts the northern shore of Storm Lake, connecting the town of Lakeside in the west to the Emerald Park subdivision. The

This trail skirts the northern shore of Storm Lake, connecting the town of Lakeside in the west to the Emerald Park subdivision. The trail is made up of off-road concrete pathways and some on-road portions along low-stress residential streets. The 5-mile route threads through multiple parks and connects adjacent neighborhoods to the lake, offering trail users unobstructed views of the water for long stretches.

Storm Lake Trail

Iowa
