The Southmost Nature Trail is a concrete multi-use path in Brownsville, Texas. The first phase of the eventual 7-mile trail was opened in May 2017 and extends 1.75 miles, connecting to Porter High School and Del Castillo Elementary. Trail amenities including a bike repair station, bike racks, pergolas, benches, picnic tables and wayfinding have been provided. When complete, the trail will stretch between the Historic Battlefield Trail to the Southmost Public Library, providing a safe and accessible conduit for pedestrians and cyclists.
