Mount Airy Greenway Connector

North Carolina

This connector trail links Mount Airy's two most popular trails, elevating the experience on each by providing an uninterrupted 6-

This connector trail links Mount Airy's two most popular trails, elevating the experience on each by providing an uninterrupted 6-mile walk or ride along the three greenways. The v-shaped trail, which features a wooden bridge over Lovills Creek, picks up where the Ararat River Greenway leaves off in Tharrington Park, and joins the Emily B. Taylor Greenway at Worth St.

Mount Airy Greenway Connector
