Visitors to Beck Lake Park have a wealth of recreational activities to indulge in, from kayaking and stand-up paddle-boarding to picnicking and bird-watching. The park is just minutes from downtown, also includes a multi-purpose trail which begins at the end of Reservoir Road and wraps around the perimeter of the two reservoir lakes. Along the south banks of the lakes, the trail simultaneously parallels the Cody Canal.

The Beck Lake Park Trail provides a safe space to work out or have fun within a restored natural environment only a stone's throw from the city.
