Traveling along a stretch of its namesake waterway, the Pino Arroyo Trail provides a convenient east-west connection in the trail network that spans this section of northeast Albuquerque, helping nearby residents reach destinations along busy boulevards while providing a nice recreation option as well. Reaching just over a mile and a half, the trail also leads into the [Heritage Hills/North Pino Trail](#) on the eastern end, as well as the [Wyoming Trail](#) to the south.

# Pino Arroyo Trail

*New Mexico*
