The Westmoreland Park Path provides a connection for cyclists and pedestrians between the 62-acre Westmoreland Park, one of Eugene's premier recreation assets, and the [Fern Ridge Path](#), a seven-mile trail along the Amazon Creek. The concrete park trail provides bridges to navigate over the creek and busy 18th Avenue, allowing trail users to safely make their way to the soccer, tennis, disc golf, and various other facilities located within the park.

Westmoreland Park Path

Oregon

States: Oregon
