Town Creek Greenway

Tennessee

Gallatin's Town Creek Greenway runs through downtown and connects to the Farmer's Market on one end and Triple Creek Park

Gallatin's Town Creek Greenway runs through downtown and connects to the Farmer's Market on one end and Triple Creek Park on the other. The paved trail accommodates both pedestrians and cyclists, taking them along Town Creek. There is an underpass at US-31E that helps trail users get across the roadway safely.

The trail connects to the Triple Creek Greenway Trail which runs through the park of the same name.
