Tupelo's Veterans Park Trail is a short multi-use trail that runs through the city park, just across the way from the birthplace of The King himself, Elvis Presley. The asphalt pathway totals just shy of a mile, weaving through the shady natural grounds of the park's south side, up to the open athletic fields in the northern half. The trail makes for a popular route for local joggers and family outings, and is a great place for visitors to the town to stretch their legs - those looking for a more rustic option can head across Veterans Memorial Boulevard to check out the unpaved Music Bend Nature Trail.
