This short trail acts as a connector, delivering residents from their neighborhoods to the south shore of East Lake Tohopekaliga. The trail runs the length of a linear park that sits in the median between Dakota Avenue's travel lanes. The small park also includes benches, trash receptacles and pet waste stations. Once the trail crosses Lakeshore Boulevard, it intersects with the [St. Cloud Lakefront Park Bike Path](#), which stretches two miles from end-to-end. That path provides bike-ped access to Lakefront Park, which offers a wide range of fun activities for visitors of all ages.

Dakota Avenue Linear Park

Florida

States: Florida

Counties: Osceola

Length: 0.5miles

Trail end points: 6th Street to Lakeshore
Boulevard

Trail surfaces: Asphalt

Trail category: Greenway/Non-RT

Trail activities: Bike, Walking
