## Trestle Trail (Lebanon)

*Illinois*

*Named for the former Baltimore & Ohio (CSX) railroad bridge it passes under, the Trestle Trail provides a quiet short passage*

Named for the former Baltimore & Ohio (CSX) railroad bridge it passes under, the Trestle Trail provides a quiet short passage through the woods along Little Silver Creek on southeastern edge of the town of Lebanon. As the first cycling-safe link to the county road network between south and east Lebanon, this short but important trail connects the dead-ends of East McAllister Street and Korte Sewald Road.

# Trestle Trail (Lebanon)

*Illinois*
