Also known as the Mill Creek Trails, the State Game Lands 326 Trails meanders through a protected wooded area in Central Schuylkill County. The State Game Lands 326 (SGL) stretches across the townships of Blythe, New Castle, and Butler. There are just over 6 miles of easy, gently-graded natural surface trail. The route is marked with green triangular signs, while orange triangular signs mark trails that prohibit bicycle and equestrian access. Following the trail as it winds through woods and curves alongside a few small fields, enjoy the scenic views and observe the abundant wildlife.
