This unpaved state-owned trail is open for public use from Coldbrook to Baldwinville. An on-road detour is necessary through the village of Baldwinville, but the right-of-way is open for public use on an informal basis from the outskirts of Baldwinville to the outskirts of Winchendon, except where it is blocked by the Route 2 embankment 0.9 miles north of Templeton. Two rights-of-way extend into New Hampshire from Winchendon, making this trail a key link in an extensive network of interstate trails.
