Alburgh Recreational Rail-Trail

Vermont

Alburgh Recreational Rail-Trail

Vermont

Overview Nestled in the remote, lake-filled region of northwestern Vermont is the short but scenic Alburgh Recreational Rail-Trail,

scenic route (U.S. Route 2) from Burlington crosses several islands on Lake Champlain and features scenic views of the lake and Aidronack Mountains of New York.

Overview

Nestled in the remote, lake-filled region of northwestern Vermont is the short but scenic Alburgh Recreational Rail-Trail, which runs for 3.5 miles, just a few miles from the Canadian border.

About the Route

Although only 3.5 miles, this short rail trail is unmissable. It is a birder's paradise, with Mud Creek Waterfowl Area on the western end of the trail and the Missisquoi National Wildlife Refuge a few miles east of the eastern endpoint.

Getting to the route can even be half the fun with the

Alburgh Recreational Rail-Trail
