Coshocton Three Rivers Bikeway

Ohio

The Coshocton Three Rivers Bikeway provides safe and direct access from the City of Coshocton to the Coshocton Lake Park

northwestern edge of downtown Coshocton.

The Coshocton Three Rivers Bikeway provides safe and direct access from the City of Coshocton to the Coshocton Lake Park Recreational Complex and historic Roscoe Village. Two crossings under US 36 eliminate the need to traverse several lanes of busy traffic.

In the north, the trail forms a loop around Middle Basin in the Lake Park Complex. From the park, a spur built on a short stretch of the former Ohio and Erie Canal towpath heads southwest to Roscoe Village, a restored 1830s canal town. The village features old-fashioned shops, restaurants, a museum and the launching point for horse-drawn canal boat rides on the Monticello III.

Another paved trail segment follows County Road 1A and Bridge Street from Coshocton Lake Park to the
