The Main Street Connector is a short link between the Mammoth Lakes Welcome Center and the longer Shady Rest Path, which

The Main Street Connector is a short link between the Mammoth Lakes Welcome Center and the longer [Shady Rest Path](#), which extends north to Shady Rest Park. Midway, trail users can take a tunnel under Main Street (State Route 203) to reach the [Town Loop](#), which encircles the community. Like many of Mammoth Lakes' trails, the Main Street Connector features smooth pavement and a stunning backdrop of mountains and woodlands.

Main Street Connector

California
