Clinton River Spillway Bike Path

Michigan

Clinton River Spillway Bike Path

Michigan

The Clinton River Spillway Trail passes through a mostly wooded corridor above and parallel to the spillway between Velger Boat

The Clinton River Spillway Trail passes through a mostly wooded corridor above and parallel to the spillway between Velger Boat Harbor on Lake St. Clair and Shady Side Park in Mt. Clemens. At the east end, the trail follows the north bank; at the west end, the south bank before crossing again at Shady Side Park. Watch your head where the trail goes under Interstate 94!

The spillway bike path links to the Metro Parkway trail, which goes to Metro Beach.
