Salina Levee Trail

Kansas

The Salina Levee Trail traverses the flood control levee along the west bank of the Smoky Hill River in Salina. The trail connects to

The Salina Levee Trail traverses the flood control levee along the west bank of the Smoky Hill River in Salina. The trail connects to parks, including the sprawling Bill Burke Sports Complex, as well as nearby residential developments. It offers glimpses of both the river and downtown Salina.

In the future, the trail will be extended along the entire length of the levee, almost completely encircling Salina.

Salina Levee Trail

Kansas
