The Pat Lowe Memorial Bike Path runs on both sides of State Route 89/US 50 in tiny Meyers, California. The paved trail provides access to several businesses along the highway.

On the west side of the road, trail users can now seamlessly continue north via the [Sawmill Bike Path](#). That trail leads to Sawmill Road (just south of the Lake Tahoe Airport), but planned extensions will eventually bring it farther west along Sawmill Road to Lake Tahoe Boulevard.

Pat Lowe Memorial Bike Path

California
