The Hampton Township Nature Trail is a 2-mile gravel trail that begins at Finn Road Park winding through marshy areas, woods, skirts farm fields, and ending at a boat launch on Jones Road. Along the way you may encounter many species of birds including bald eagles, egrets, geese, and swans. There is an abrupt termination at Knight Road, but a short turn north will allow you to pick the trail immediately back up for the rest of your travels. For travelers interested in the Finn Road Campgrounds, activities available are a bath house, pavilion, handicap fishing pier, camping facilities with water, 30 amp electric & sewer, and a dump station for recreational vehicles.
